

ANIL BASAT

Visual Storyteller

Portfolio

I am a multifaceted creative professional who integrates visual storytelling with cutting-edge technologies. My experience encompasses the production of documentaries, events, and explanatory videos for esteemed institutions such as Akbank Sanat, Cumhuriyet, and Sputnik. I concentrate on developing highly engaging content by merging my traditional production expertise (editing, shooting, animation) with AI-enhanced models.

English (Advanced Proficiency)

Experience

○ **September 2023 -**
Scrolli

Creative Director

I am a member of the founding team of Turkey's inaugural scrollytelling-focused new media startup. I continue to offer creative direction and produce content on a project basis.

○ **August 2022 - April 2023**
Cumhuriyet Newspaper | Cumhuriyet360

Sr. Videographer

I was a member of the founding team of the specialized content studio Cumhuriyet360, where I played a key role in their digital transformation initiatives. I managed the complete production process of short documentaries and explainer video series for diverse digital platforms.

○ **September 2021 - May 2022**
Sputnik Türkiye

Sr. Videographer

During the establishment phase of the Sputnik360 content studio, I participated in defining the technical infrastructure, selecting professional equipment, and establishing software standards. I contributed to the development and implementation of dynamic video content strategies centered on current events.

○ **November 2017 - May 2021**
Akbank Art Center

Photographer and Videographer

I was tasked with overseeing the comprehensive visual archive (photos/videos) of esteemed events, including the Akbank Jazz Festival and the Akbank Short Film Festival. Additionally, I prepared promotional materials for exhibitions and events that aligned with social media dynamics.
